"DELOY'S GENERATIONS TRIO!"

Sunday, Sept. 17th 2 pm, Holiday Hills Ballroom

DeLoy Goeglein and his Generations Trio will return to the Holiday Hills Ballroom to reprise their fun program of Popular and Jazz Standards that was so well-received here last year. The Trio maintains an active schedule of engagements around the Denver area entertaining audiences with a vast repertoire of

musical memories that will make you smile! Mariann Finch is the bandleader, bassist and vocalist and her son, Dino Cuneo plays the drums and also sings. DeLoy's smooth piano is the backbone of this ensemble, playing introductions and improvisations.

DeLoy was one of the organists at our Colorado Springs PPATOS sister chapter's Sacklunch Serenades and will play some selections on the Holiday Hills GW4Q organ.

"Got Gospel?"

Sunday, Nov. 12th 2 pm, Holiday Hills Ballroom

Our November social will feature Bev Bucci and Ed Wagner working together to bring us another toe-tapping hand-waving "Got Gospel!" Bev is Music Director and Organist at Brighton United Methodist church and has shared her considerable talents with us many times playing gospel and polka music. She also plays trombone and accordion, and during our most recent "Request Rendezvous" amazed us by playing all of her request slips because she knew all of the tunes. Ed Wagner is a retired teacher from Lincoln, Nebraska and plays monthly on a large Reiger tracker organ. He enjoys arranging and improvising hymns and gospel music, and his musical arrangements have been featured on seven recorded CD's. Ed has toured in seven countries sharing his music mainly on piano, and organ when available. He and Paul Mickelson did music together in Russia for a few evangelistic crusades. Paul was an organist for the Billy Graham crusades.

Christmas Potluck Social

Sunday, Dec. 3rd 2 pm, Holiday Hills Ballroom

Our traditional "members only" Christmas Social will be held on December 3rd. Watch for details in the December newsletter. Always good times with good friends, good food and plenty of good music!

And always a great Christmas sing-along!

"Free Day at the Paramount"

We were back at the Paramount in August for our "Free Day at the Paramount." Organists performing on the 1930 4/21 Publix I twin-console Wurlitzer were House Organist Bob Castle, Jim Calm, Ingrid Gardner, Bill Kwinn, Kenny Orr and Kevin Utter. It is always a joy to perform on any instrument that master pipe organ technician Don Wick has prepared. Lee Shaw kept the stage running smoothly and Rich Brooks hosted the hospitality table.

John Ledwon at LCC

John Ledwon played an excellent program in July on the Allen STR-4 at the Lakewood Cultural Center. John is a staff organist at Disney's El Capitan theatre in Los Angeles and his program included pop tunes and Disney favorites, and he accompanied the first Mickey Mouse cartoon which was a silent film.

"KWINN-TESSENTIALLY KWINN!"

Bill Kwinn was joined at our June social by his wife Kathy, friend Kevin Utter and Kevin's guide dog Bingo. The Ft. Collins trio performed a varied program which included Bill playing classical and Broadway tunes on the GW4Q, Bill and Kathy singing art song solos and duets accompanied by Kevin, and Kathy performing on the organ. Bill and Kevin are fans of the Hauptwerk organ MIDI system and both have home installations. Bill and Kevin gave a demonstration of how this system works and filled the room with the sounds of different pipe organs.

Open House at LCC

October 25th 2-7 pm, Lakewood Cultural Center
There will be an "Organ Open House" at the Lakewood Cultural Center on Wednesday, October 25th from 2:00 to 7:00 pm. During the Open House organists will be on hand to answer questions about the Walt Strony Signature STR-4, demonstrate playing

the instrument and assist those who want some playing time at the console themselves. Visitors are welcome to just sit in the theatre and listen. There is no charge and the event is open to the public.

Front Range Organ Owners Group

The FROOGies (Front Range Organ Owners Group) were invited to Longmont to enjoy Jud Murphy's outstanding collection of fun old instruments including a pristine 1901 Orchestrelle. Organists Kevin Utter and Jim Calm got a workout and ran several miles while pumping this elegant instrument, and enjoyed some duet time with various instruments around the room. Jud's latest toy is a top-of-the-line Conn 652 theatre organ that was fun to play and blended well with the other instruments. A trip to the Dougherty museum of old farm equipment and cars continued the day, and Kevin and Jim had an enjoyable time making music on the 2/4 Wurlitzer that came out of the Loveland Rialto theatre. It was great seeing Don and Owanah Wick at Jud's and at the Paramount. We're planning more activities, please contact Jim Calm if you would like to join the FROOGies!
