## A Message from our President

Well, where did that year go? While I'm sure that many of us feel that 2020 has lasted an infinite amount of years, I am finding that I am running out of time to get things done before Christmas.

Our monthly socials at Holiday Hills have been suspended since our January meeting, of which I am truly thankful that I had the invitation and opportunity to play. In February we had the pleasure of hearing Jim Calm, Kevin Utter and Kenny Orr at Lakewood Cultural Center. Since then we have been in a perpetual holding pattern waiting for this pandemic to subside.

In November, I had the pleasure of recording, "Thanksgiving Notes" with Bev Bucci and Kenny Orr at LCC. A great deal of gratitude is extended to Lee Shaw, Bill Decker and Jim Calm for making this video a reality. If you missed the video you can go to YouTube, search: RMCATOS, and then look for "Thanksgiving Notes". There are also many other clips from our local chapter.

As we get ready to enter 2021, please know that we will be back! We will enjoy each other's company, we will sing, we will dance and we will play once again! That is definite. When we are able to meet again, I chal-

lenge you all to invite your family and friends. This will be an incredible way of announcing that we have, "risen from the ashes!" and we are back and stronger than before. Until then, I want to wish each and every one of you a VERY Merry Christmas and a VERY Happy New Year!

Blessings, Randy Morris, RMCATOS President
